

3M

Damage-Free Hanging Solutions

Command™ strips are the holy grail of all organizing fanatics, especially those that live in apartments. They are a range of ingenious adhesive strips and hooks which allow artists to hang decorations, pictures and much more without the hassle of nails and screws throughout the home. Holding fast to windows, tiles, metal or painted walls, these products can revolutionise the way that you hang almost anything. Decorate, organize and transform your space into a beautiful oasis with these products, where the possibilities are endless and every wish is your command.

About:

3M, the global innovation powerhouse in research and development and the pioneer of thousands of innovative products across diverse industry sectors globally, has launched in India a unique range of mounting solutions products offering firm holding power and damage free removal. Based on the distinctive stretch-release adhesive technology 'Command™ Products' are the perfect solution for all household and office hanging requirements, as they help convert humble surroundings into ergonomic and spacious environments.

The introduction of Command™ Products is designed to appeal to consumers who want unique and eloquent surroundings. With 3M's Command™ products promising of mounting solutions with firm holding power and damage free removal, there is a multitude of smart usage ideas across a host of spaces around the home or the office. 3M Command™ Products come in varied forms such as General Hooks, Metal & Decorative Hooks, Cord organizers, Picture & Frame Hangers and Command™ Strips among the rest.

No Tools

With no hammers or nails needed, hanging made stress free

Holds Strongly

Works on a variety of surfaces.
Tested by 3M experts.

Removes Cleanly

Leaves no stains or marks.
Repeat hanging with refill strips

Easy on

Remove the red liner

Stick the strip onto the backside of the hook

Press the hook firmly against the wall for about 30 seconds.

Easy off

Stretch the strip slowly against the wall to release.

ADVANCED PATENTED TECHNOLOGY

The patented stretch release technology offers strong holding power, works great on painted surfaces, wood, tile, and more. It holds on strongly and comes off cleanly, leaving no holes, marks, sticky residue, or stains.

GENERAL PURPOSE:

Use on most indoor, hard surfaces. Sticks to stain-resistant, low VOC, and deep based paints.

CLEAR:

Same indoor adhesive, but virtually invisible. Ideal for tile and glass.

PICTURE HANGING:

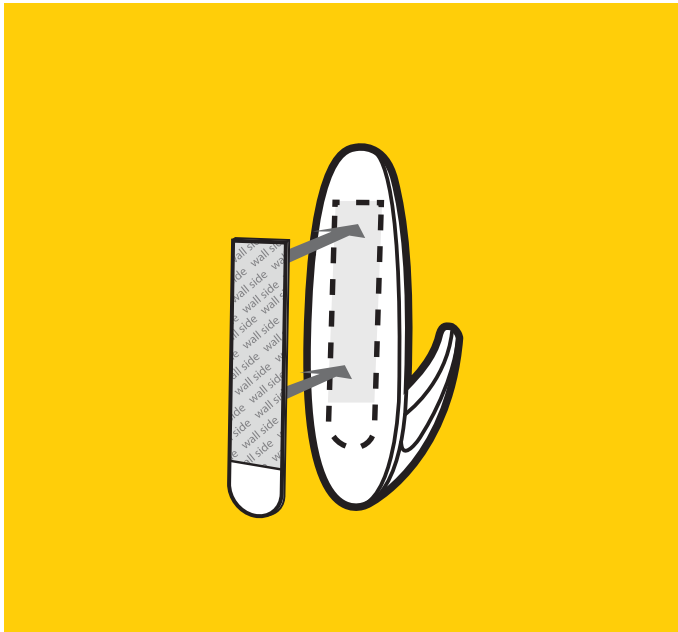

Hang pictures, frames & art with no tools or nails.

For pictures with hardware:
For pictures without hardware. Locks together, holds upto 16 lbs.
