

# EdgeView

## Canopy Luminaire

LED canopy light

# Elegant. Efficient. Extraordinary.

*One of the most efficient canopy lights on the market*

Beyond the edge of the ordinary lies the extraordinary! EdgeView Canopy Luminaire delivers unparalleled value and efficiency to refueling station canopies with its slim, lightweight design for fast, easy, one-person installation, excellent thermal management, and lower energy consumption than competing fixtures.

- Unique design directs attention to station by delivering bright, uniform illumination to the forecourt using light from the canopy
- Fast, easy, one-person installation
- Slim form factor for a recessed look under canopy
- Faster ROI, lower energy cost, and virtually maintenance free
- 5-year limited warranty

*Lightweight design for easy installation (1 kg)*

## **Slim, lightweight design**

Slim, lightweight design for fast, one-person installation in new or retrofit applications.

## **Low energy consumption**

125 lm/W efficacy for lower energy consumption and a smaller carbon footprint.

## **Thermal management**

Exceeds expectations in warmer climates with excellent cooling features.

## **Ingress protection**

IP66-rated to protect your investment against rain and water splash.

## Specifications

**Part number** ..... 701948-5WTWT3-E100

### Electrical

**Input voltage** ..... 100-277 VAC, 50-60 Hz

**Wattage** ..... 100 W

**Lumens** ..... 12,500

**Efficacy** ..... 125 lm/W

### Lighting

**Color temperature (CCT)** ..... 5000 K

**Color rendering (CRI)** ..... >80

### Performance

**Operating temperature** ..... -40° C to +50° C

**Ingress protection** ..... IP66

**Life rating** ..... L<sub>70</sub> @ >60,000 hours

### Construction

**Housing** ..... White powder coated aluminum

**Lens** ..... Diffused polycarbonate

**Dimensions** ..... 406 mm square x 25 mm

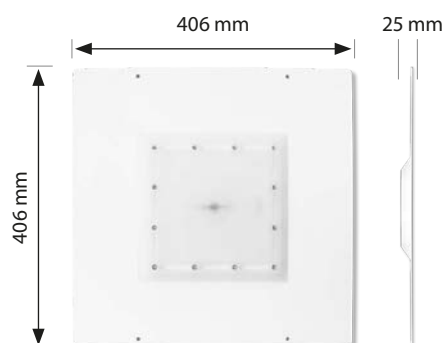

### Documentation

**Warranty** ..... 5-year limited

**Agency listings** ..... CE, UKCA, RCM, RoHS
